I've been work- ing in these mines for most of my life...

BREAK VERSE  
(Well the) pay is not that good in'the cold dark dingy hole...

I've been try- ing to raise two daugh- ters and sup- port a lov- ing wife...  
An' I knowthat work- ing in the mines you'll pay an aw- ful price...  
An' you'll spend all of your time just think- ing 'bout how you will go...

But this aw- ful way of liv- ing has real- ly got me down...  
But I'll... keep on work- ing here work my fingers to the bone...  
Will the walls cave in a- round you or will'you just run'out of time...

And I've had to face the fact boys, that I'll nev- er leave this town...  
 And the best that I can hope for, is that I won't have to die a- lone...  
 Will di- sease eat you to the bone down in the cold dark mine...
