VERSE 1. (G) Oh the weather out- (D) -side is (G) frightful,

Let It (D) Snow! Let It Snow! Let It (G) Snow!

VERSE 2. (G) It doesn't show (D) signs of (G) pausing,

The (Am) lights are turned way down low,  
Let It (D) Snow! Let It Snow! Let It (G) Snow!

VERSE 3. (G) When (D) we finally kiss goodnight,  
How I (Em) hate going (A7) out in the (D) storm!  
But if you'll really hold me tight,  
(E7) All the way (A7) home I'll be (D7) warm.

VERSE 4. (G) The fire is (D) slowly (G) dying,  
And, my dear, we're still good (D) by-ing,  
But (Am) long as you love me so,  
Let It (D) Snow! Let It Snow! Let It (G) Snow!
